

Office of the City Manager

City of Richland Hills, Texas

Memorandum

To: Honorable Mayor Bill Agan and members of the Richland Hills City Council
From: Eric Strong
Date: November 26, 2013
Subject: Launch of New Website

Council Action Requested:

Discuss new website launch and give preview of new website.

Background Information:

In early November, several staff members underwent training on how to edit and use the new website that has been under construction. Since that time, staff has been working on updating and adding the appropriate content to the new website.

While the website will always be a work in progress and is never “finished”, I would like to give you a preview of the site and walk you through some of the items that we will continue to work on after the new site goes live. The new site is scheduled to be launched and replace the existing site on Friday, December 6th.
