

Office of the City Manager

City of Richland Hills, Texas

Memorandum

To: Honorable Mayor Bill Agan and members of the Richland Hills City Council
From: Eric Strong, City Manager
Date: April 1, 2014
Subject: Formation and Appointment to Committees of the Council

Council Action Requested:

Consideration of Appointments and Formation of Committees of the Council

Background Information:

Currently there are five Committees of the Council, which include:

- Finance Committee
- Community Development Committee
- Community Enrichment Committee
- Public Safety Committee
- Transportation and Infrastructure Committee

The purpose of the committees is to allow smaller workgroups on specialized items before an item gets to the Council as a whole. These meetings are still public meetings in which the public is invited and welcome to attend. This agenda item is to discuss the current formation of the committees, if there is a need for any temporary committees, and the appointments to the committees.

One specific item to consider is that Councilmember Norton is not running for re-election. She currently serves on the Community Development Committee and Community Enrichment Committee. If anyone on council wants to switch committees to fill one of those spots following the election, Council can make that appointment.
