## *Community Center Feasibility Survey* **Executive Summary Report**

---

### **Overview of the Methodology**

ETC/Leisure Vision conducted a City of Richland Hills Community Center Feasibility Survey Summer of 2014 to help plan for a potential multipurpose community facility that may include a recreation center, senior center, city office spaces, public meetings spaces and museum space. The survey was designed to obtain statistically valid results from households throughout the City of Richland Hills. The survey was administered by mail and phone.

ETC/Leisure Vision worked extensively with the City of Richland Hills officials in the development of the survey questionnaire. This work allowed the survey to be tailored to issues of strategic importance to help plan the future system.

A four-page survey was mailed to a random sample of 1,500 households throughout the City of Richland Hills. Approximately three days after the surveys were mailed each household that received a survey also received an automated voice message encouraging them to complete the survey. In addition, about two weeks after the surveys were mailed ETC/Leisure Vision began contacting households by phone. Those who had indicated they had not returned the survey were given the option of completing it by phone.

The goal was to obtain a total of at least 300 completed surveys. ETC/Leisure Vision met that goal with a total of 476 surveys having been completed. The results of the random sample of 476 households have a 95% level of confidence with a precision rate of at least +/-4%.

The following pages summarize major survey findings.

## Major Findings:

- ❖ **Are You or Other Members of Your Household Currently Using Any INDOOR Recreation, Sports, Fitness, Aquatic, or Museum Facilities?** Fifty-five percent (55%) of respondent household currently use indoor recreation, sports, fitness, aquatic or museum facilities. Forty-five percent (45%) of respondent households do not use these indoor facilities.
- ❖ **INDOOR Recreation, Sports, Fitness, Aquatic and Museum Facilities Respondent Households Currently Use:** Forty-four percent (44%) of respondent households currently use *private fitness clubs*. Other indoor recreation facilities include: RH Public Library (40%), other public recreation centers (39%), churches (36%), Historical Society Museum (12%) and the RH Community Center (10%).
- ❖ **Statement that Best Represents How the Current INDOOR Facilities Respondent Households Are Using Meets Their Needs:** Sixty-one percent (61%) of respondent households say that current indoor facilities they use *meet some of their needs*. Other statements include: Meet all of their needs (36%) and do not meet any needs (3%).
- ❖ **Respondent Household Level of Need for Potential Features in a Recreation Center:** Based on the percentage of respondent households who either “strongly need” or “somewhat need,” (91%) of households need a *fitness and exercise area* in a recreation center. Other similar levels of need include: Cardiovascular equipment area (90%), weight machine areas (88%), indoor running and walking track (88%) and aerobics and group exercise space (85%).
- ❖ **Recreation Features Respondent Households Would Use the Most if Developed at the Recreation Center:** Based on the sum of respondent households top five choices, (56%) would use an *indoor running and walking track* the most often if it were developed at the Recreation Center. Other features respondents would most use include: Cardiovascular equipment area (47%), weight machines area (34%), indoor swimming: leisure (32%), indoor swimming: therapy and wellness (32%) and indoor swimming: lap (32%).
- ❖ **How Often Respondent Households Would Visit a New Community Center that has the Recreation Features they Most Prefer:** Sixty-four percent (64%) of respondent households would visit the new Community Center *several times per week*. Other visitation levels include: Once per week (15%), a few times per month (9%), never (6%), less than once a month (4%) and monthly (2%).

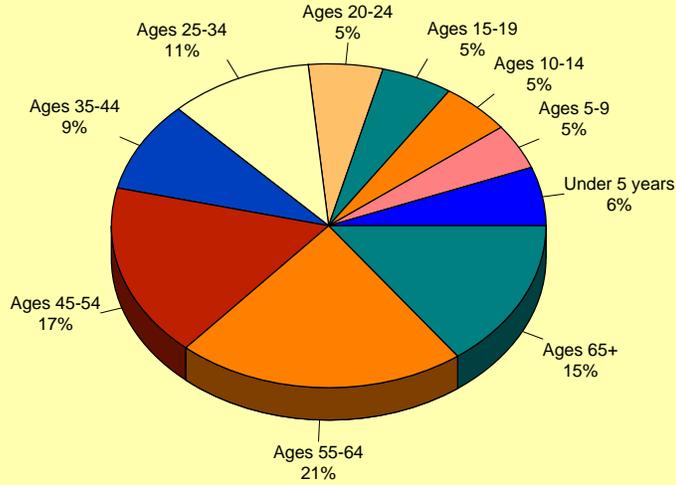

- ❖ **Maximum Amount Respondent Households Are Willing to Pay Per Month for a Family Membership to the New Community Center with the Features Most Proffered to their Household:** Sixty-seven percent (67%) of respondent households would pay (\$55.00) or less per month for a monthly family membership to the new Community Center. Other maximum amounts include: \$55.00-\$64.00 per month (22%), \$65.00-\$74.00 per month (7%) and \$75.00 or more per month (4%).
  
- ❖ **Maximum Amount Respondent Households Are Willing to Pay Per Month for a Individual Membership to the New Community Center with the Features Most Proffered to their Household:** Forty-percent (40%) of respondent households are willing to pay \$25.00 monthly for an individual membership to the new Community Center. Other maximum amounts include: \$25.00-\$29.00 per month (36%), \$30.00-\$34.00 per month (16%) and \$35.00 or more per month (8%).
  
- ❖ **How Respondent Households Feel the Cost of Operating a New Community Center Should be Paid for:** Thirty-eight percent (38%) of respondent households feel that *fees from users should pay the majority of costs and property taxes the remaining costs*. Other ways respondents feel the Community Center should be paid for include: Property taxes should pay the majority of costs and fees from users the remaining costs (36%), don't know (22%) and 100% through property taxes (3%).

## Tabular Data

### Q1. How many persons in your household (counting yourself) are?

	Mean	Sum
number	2.61	1236
Q1 Under 5 years	0.15	70
Ages 5-9	0.12	58
Ages 10-14	0.14	67
Ages 15-19	0.14	66
Ages 20-24	0.14	65
Ages 25-34	0.28	132
Ages 35-44	0.24	113
Ages 45-54	0.45	214
Ages 55-64	0.56	266
Ages 65+	0.39	185

## Tabular Data

### **Q2. Are you or other members of your household currently using any INDOOR recreation, sports, fitness, aquatic, or museum facilities?**

Q2. Are you currently using any INDOOR recreation, sports, fitness, aquatic, or museum facilities?	Number	Percent
Yes	260	54.62 %
No	216	45.38 %
Total	476	100.00 %

Missing Cases = 0  
Response Percent = 100.00 %

## Tabular Data

### Q2a. From the following list, please check ALL of the INDOOR recreation, sports, fitness, aquatic, or museum facilities you and members of your household currently use.

Q2a. The INDOOR recreation, sports, fitness, aquatic, or museum facilities you and members of your household currently use.

	Number	Percent
Private fitness clubs	114	43.85 %
Other public recreation centers	101	38.85 %
Churches	93	35.77 %
Historical Society Museum	30	11.54 %
RH public Library	104	40.00 %
RH Community Center	25	9.62 %
Other	50	19.23 %
None, do not use facilities	1	0.38 %
Total	518	

Number of Cases = 260

Number of Responses = 518

Average Number Of Responses Per Case = 1.99

Number Of Cases With At Least One Response = 260

Response Percent = 100.00 %

# CITY OF RICHLAND HILLS, TEXAS

(817) 616-3806 • 3200 DIANA DRIVE • RICHLAND HILLS, TEXAS 76118

*A Few Minutes of Your Time Will Help Make the City of Richland Hills  
a Better Places to Live, Work and Play!*

Dear Residents of Richland Hills:

*Your response to the enclosed survey is extremely important...*

The City of Richland Hills would like your input to help determine indoor recreation, fitness and sports needs for the City of Richland Hills. Your household was one of a limited number selected at random to receive this survey, therefore, it is very important that you participate.

*We appreciate your time...*

We realize that this survey will take approximately 10 minutes to complete, but each question is important. The time you invest in completing this survey will aid the City of Richland Hills in taking a resident-driven approach to making decisions that will enrich the future of our community and region and positively affect the lives of their residents.

*Please complete and return your survey within the next two weeks...*

We have selected Leisure Vision/ETC Institute, an independent consulting company, as our partner to administer this survey. They will compile the data received and present the results to the City. **Your responses will remain confidential.** Please return your completed survey in the enclosed postage-paid envelope addressed to ETC Institute, 725 W. Frontier Circle, Olathe, KS 66061.

If you have any questions, please feel free to contact Jason Moore, Assistant to the City Manager at (817) 616-3745. The Attitude and Interest Survey is a tool that will benefit all City of Richland Hills residents. Please take this opportunity to let your voice be heard!

Sincerely,

  
Bill Agan, Mayor

The City of Richland Hills would like your input to help with the planning for a potential multipurpose community facility that may include a recreation center, senior center, city office spaces, public meetings spaces and museum space. This survey will take approximately 10 minutes to complete. When you are finished, please return your survey in the enclosed postage-paid, return-reply envelope within the next two weeks.

---

**Are you a resident of the City of Richland Hills?**

- (1) Yes (Please continue with the survey.)  
 (2) No (Please discontinue the survey. The survey is only for residents of the City.)

**Are you at least 18 years old?**

- (1) Yes (Please continue with the survey.)  
 (2) No (Please give the survey to someone in your household who is at least 18 years old.)
- 

**1. How many persons in your household (counting yourself) are?**

- |  |  |  |
|--|--|--|
| Under 5 years <input type="checkbox"/> | 20 - 24 years <input type="checkbox"/> | 55 - 64 years <input type="checkbox"/> |
| 5 - 9 years <input type="checkbox"/>   | 25 - 34 years <input type="checkbox"/> | 65+ years <input type="checkbox"/>     |
| 10 - 14 years <input type="checkbox"/> | 35 - 44 years <input type="checkbox"/> |  |
| 15 - 19 years <input type="checkbox"/> | 45 - 54 years <input type="checkbox"/> |  |

**2. Are you or other members of your household currently using any INDOOR recreation, sports, fitness, aquatic, or museum facilities?**

- (1) Yes (Please answer questions #2a & #2b)  
 (2) No (Please go to question #3)

**2a. From the following list, please check ALL of the INDOOR recreation, sports, fitness, aquatic, or museum facilities you and members of your household currently use.**

- |  |  |
|--|--|
| <input type="checkbox"/> (1) Private fitness clubs           | <input type="checkbox"/> (5) RH Public Library           |
| <input type="checkbox"/> (2) Other public recreation centers | <input type="checkbox"/> (6) RH Community Center         |
| <input type="checkbox"/> (3) Churches                        | <input type="checkbox"/> (7) Other: _____                |
| <input type="checkbox"/> (4) Historical Society Museum       | <input type="checkbox"/> (8) None, do not use facilities |

**2b. Which ONE of the following statements best represents how the indoor recreation, sports, fitness, aquatic, or museum facilities that you are currently using meet your needs?**

- (1) Meet all of your needs  
 (2) Meet some of your needs  
 (3) Do not meet any of your needs

3. Listed below are various specific recreation features that could be included in a recreation center. For each one, please indicate whether you think each of these features is strongly needed, somewhat needed or not needed in the community.

	<u>Strongly Needed</u>	<u>Somewhat Needed</u>	<u>Not Needed</u>	<u>Don't Know</u>
