

Office of the City Manager

City of Richland Hills, Texas

# Memorandum

To: Honorable Mayor Bill Agan and members of the Richland Hills City Council  
From: Eric Strong, City Manager  
Date: January 5, 2016  
Subject: Community Center Naming Workshop

---

## **Council Action Requested:**

No Action Required – a discussion will be held during the work session.

## **Background Information:**

Throughout the past year the City has used the terms community center, recreation center, and activities center to refer to the facility that will be built this year. At this point in time it is appropriate to give the building an actual name. This workshop will facilitate a discussion about potential names and hopefully help to narrow down to some favorites or some concepts.

In preparation for the meeting, please take some time to think about the different connotations for words like: community, recreation, activities. Think about the ways in which the facility as well as the entire campus will be used and how you would like for those spaces to be acknowledged. We do not need to leave the meeting with a preferred name, but we would like to make progress toward that goal.

**Board/Citizen Input:** N/A
