

Office of the City Manager

City of Richland Hills, Texas

Memorandum

To: Honorable Mayor Bill Agan and members of the Richland Hills City Council
From: Eric Strong, Assistant City Manager
Date: August 20, 2013
Subject: Utility Rate Presentation

City Council Action Requested:

No Action Requested – Presentation Only

Background Information:

Funds were allocated in the current year budget to hire a consultant to review our water and wastewater rates. The consultant, Diane Palmer, has spent several months going over utility fund data and analyzing revenues, expenditures, and future needs. She will be making a presentation to the Council that reviews her findings and answers any questions you might have.

There is no action as a result of this presentation; it is informational only.
