Senior Transportation Services are available to residents of Richland Hills that are over the age of 60. By using the services, I agree to the following terms and conditions:

Senior Passengers (defined as passengers over the age of 60) may travel anywhere in Richland Hills, as well the following locations in North Richland Hills and Hurst:

- Kroger on Boulevard 26
- Walmart on Loop 820
- North Hills Medical Plaza (Hospital area)
- North East Mall

Each one way trip is \$1.50. To receive this rate, you must purchase vouchers in advance from City Hall. A voucher must be provided to the driver for each one way trip. Failure to utilize a voucher will result in paying a higher rate directly to the driver, either by cash or credit card.

I understand that in the event of a scheduling conflict, Mobility Impaired Passengers may receive scheduling priority.

Abuse of the service area (utilizing the service, or attempting to utilize the service to travel to non-approved areas) may result in suspension of eligibility to utilize the services. I understand that it is my responsibility to abide by the service area, and not the responsibility of the person scheduling my trip or driving the vehicle.
