### **RICHLAND HILLS POLICE INVESTIGATE TWO OVERNIGHT SHOOTINGS**

The Richland Hills Police Department responded to two overnight shootings in Richland Hills, TX involving multiple persons. The preliminary investigation revealed these two incidents to be related and one adult male remains in police custody with pending criminal charges. There have been no injuries reported in relation to either shooting.

On Wednesday, March 10, 2021, just before 8:00 pm, police were initially called to the scene of a fight in progress at Rosebud Park, 2600 Rosebud Lane. While units were responding to the call, additional information was reported that shots were fired at the location. The reporting person advised that multiple people were fighting in the park just before gunshots were heard. Police arrived on scene within minutes and found the involved individuals had already left the scene.

At about 8:45pm, while police were still investigating the incident at the park, police were called to another shots fired call at a residence in the 3100 block of Crites Street. Police responded to the area and quickly determined that the individuals involved in the fight and shooting at Rosebud Park were connected to the targeted shooting at a residence on Crites.

At this time, this is an ongoing investigation and every resource is being directed towards the identification and arrest of those responsible in both incidents.

The Richland Hills Police Department shares the concerns of its residents and the number one priority has been, and will always be, the safety and security of our community. Additional information will be released as it becomes available and does not compromise the investigation.

Anyone with information, photos or video relating to either of these incidents are asked to contact Sergeant Schmid at 817-616-3789 or [dschmid@richlandhills.com](mailto:dschmid@richlandhills.com) or anonymously at 469tips.com or 469-TIPS. Videos and/or photos can be uploaded directly to <https://richlandhillspdx.evidence.com/axon/citizen/public/21r02791>
